

EMYO® 100 & 200
Pelvic Floor Rehabilitation
for Adult & Pediatric Physical Therapy

EXPERIENCE THE DIFFERENCE.

The Prometheus Group®, Est. 1989, specializes in the design, development, manufacture, and sales of EMG, Manometry, Urodynamic/Uroflowmetry, Ultrasound and Stimulation systems in the areas of Rehabilitative Medicine, Colorectal Surgery, Urogynecology, Urology, and Gynecology.

At Prometheus, we are passionate about **CUSTOMER VALUE**. With more than 5000 unique clientele worldwide, we believe this is represented in the essence of our business:

Unparalleled Technical Support

We provide the highest level of technical assistance through a number of support channels; phone, email, and remote access. We understand your time is precious. Our extended hours make our support services more accessible; resulting in a positive user experience.

Exceptional Customer Service

Our priority is to build and maintain lasting relationships with our clients. Friendly, knowledgeable, and professional team members are always available to take your call.

Dedicated Sales Managers

Our team of field experts are ready to guide you in the right direction and support you throughout your decision-making process and beyond.

Made in the U.S.A.

The Prometheus Group® combines modern technology and ease of use to provide the most comprehensive and advanced high-quality American-made equipment on the market.

The choice is yours, **EXPERIENCE THE DIFFERENCE**, and become part of the Prometheus family.
